

# Annual Report to the Parish Council Open Meeting on 11th April 2024

## from St Leonard's Church

We have had a quieter year as the Restoration Work was completed in the Summer of 2022. Services are held on the first and third Sundays with occasional extra ones. The Remembrance Sunday, Advent Carols, and Palm Sunday services were all well attended. The Walking Nativity was enjoyed by over seventy people and a large number of children. A great way to start Christmas.

We were blessed with good weather for our Summer Fete and had a very successful Silent Auction. Thank you to all who were involved and supported our one major fund raising event each year. 2024's event will be held on 22<sup>nd</sup> June again in the Rectory Garden.

We have had the flood lights repaired in memory of Alexander Thorneycroft and Philip Astley Jones. We await the report on our Quinquennial ~~Inspection~~ Inspection which took place last week. Initial reports show that some maintenance work needs to be done on the gutters. This will be carried out shortly.
